## Radio St/Ride at Oxfordshire Churches

- **Christ Church Cathedral (call sign GB2CCC)**

Radio St/Ride will be operating on the Broad Walk outside the Cathedral again this year, by kind permission of the College and the Dean. The antennas will be erected on Christchurch meadow in the morning.

St/Riders in Oxford will be able to talk to stations at other churches in Oxfordshire and in other counties. Each church you talk to over the air will count as another church visited for your St/Ride sponsorship form so, if you sign in at the Cathedral, call in at Radio St/Ride as well.

GB2CCC will be manned by Harry Hogg and friends who are looking forward to talking to you about ancient churches, Christianity, cycling, radio, indeed any subject that interests you, when they are not making contact with other churches for you to talk to.

You can contact Harry Hogg at 01491 872919 or email [harryhogg@waitrose.com](mailto:harryhogg@waitrose.com) for fuller information.

There will also be at least two other radio station at an Oxfordshire churches:

- **St Mary, Bampton (call sign GB2LPC)**

Ray Evans will be pleased to arrange contacts for you at another church or to answer your call from another church.

- **Christ Church, Abingdon (call sign GB2CCA)**

Here Howard Delafield will gladly arrange for you to talk to other churches, including Christ Church, Oxford.

## SPONSORED RIDE & STRIDE 11th SEPTEMBER 2010 CHURCHES WELCOMING ST/RIDERS

Churches are listed in Post Code order within Areas. Areas (similar to Anglican deaneries) are listed generally from North to South. Post Codes can be used for planning a route electronically and often churches close on the list are neighbours on the ground.

The majority of churches will be manned to welcome cyclists and walkers. If you are a Visitor, you should sign the Visitor Record and have your Sponsorship Form signed by a Welcomer. At unmanned churches sign the Welcome Placard and get someone else to mark up your Sponsorship Form, or mark it up yourself if there is no one else about.

In this list, (T) = toilet facilities available, (t) = toilets near by.
