

SPONSORED RIDE & STRIDE 10th SEPTEMBER 2011 CHURCHES WELCOMING ST/RIDERS

In this list, (T) = toilet facilities available, (t) = toilets near by.

Churches are listed alphabetically within Areas. Areas (similar to Anglican deaneries) are listed generally from North to South. Postcodes can be used to plan a route electronically using SatNav or Google Maps. The cycle route maps provided by the cycling charity Sustrans as a free app for iPhones, or at <http://www.sustrans.org.uk/map>, are particularly useful because churches are marked clearly (at the most detailed scale they are often annotated 'PW' for 'Place of Worship') and they can be found by entering the postcode in the search box.

The majority of churches will be manned to welcome cyclists and walkers. If you are a Visitor, you should sign the Register of St/Riders and have your Sponsorship Form signed by a Welcomer. At unmanned churches sign the Welcome Placard and get someone else to mark up your Sponsorship Form, or mark it up yourself if there is no one else about.

ALWAYS REMEMBER SAFETY FIRST

Radio St/Ride at Oxfordshire Churches

- **Christ Church Cathedral (call sign GB2CCC)**

Radio St/Ride will be operating on the Broad Walk outside the Cathedral again this year, by kind permission of the College and the Dean. The antennas will be erected on Christchurch meadow in the morning.

St/Riders in Oxford will be able to talk to stations in other counties. Each church you talk to over the air will count as another church visited for your St/Ride sponsorship form so, if you sign in at the Cathedral, call in at Radio St/Ride as well.

GB2CCC will be manned by Harry Hogg and friends who are looking forward to talking to you about ancient churches, Christianity, cycling, radio, indeed any subject that interests you, when they are not making contact with other churches for you to talk to.

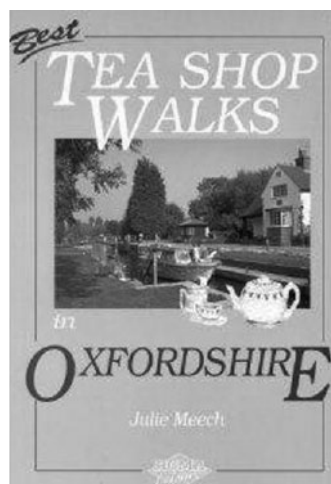

You can contact Harry Hogg at 01491 872919 or email harryhogg@waitrose.com for further information.
